Farewell  
dinner in El Lago

Many groups choose to hold a farewell dinner in El Lago, with cozy surroundings and beautiful views across the lagoon. The restaurant provides a wonderful setting for your last night before returning home.

Contact our Groups Department ahead of your stay to plan your farewell meal and drinks.

## Restaurants

You can book your tables and dining times in one of our 4 restaurants with the Groups Department prior to departure. We offer breakfast, half or full board dining options in Restaurant Atlantico with a permanent place and time. Most groups choose half or full board for convenience, the large selection on offer and the great value for money.

Want to try different restaurants? With our half and full board options you aren't limited to the buffet Restaurant Atlantico. You can also enjoy 2 breakfasts and 2 dinners in El Lago or La Plaza with half board, and an additional 2 lunches with full board, for a discounted price per person. Ask our Groups Department for full information and booking.

Although you can book your tables in our à la carte restaurants whilst staying at the resort, we recommend that you book in advance via our Groups Department to avoid disappointment.

## Bars and Disco

After dinner, guests gather to socialize in the square or in one of our three cosy bars.

The Green Bar offers pool and darts, and it is possible to reserve a time and space for groups. If you still have energy left after a day of activities, you can dance, enjoy good company and a cocktail with music from our resident DJ. The disco is open every Monday, Wednesday and Saturday night from 22:30 onwards.

As a group, it is possible to reserve the disco with bartenders for your own private evening, any day except Monday. For younger groups we can arrange an alcohol-free event.

Find out more about our restaurants and bars on [www.clublasanta.com](http://www.clublasanta.com)

Note: Alcohol will not be served to persons under the age of 18.

## Excursions

Choose from a wide range of excursions offering additional activities, entertainment and cultural experiences. We highly recommend a visit to the Timanfaya National Park and the Sunday market in the historical town of Teguise.

See the full programme at [www.clublasantaexperiences.com](http://www.clublasantaexperiences.com) and plan your outings with our Groups Department.

## Dive school - snorkel and diving

Discover a whole new world under the crystal clear waters of Lanzarote with a Snorkel Safari or scuba diving. Encounter a diverse array of marine life, with underwater wrecks to be explored by more experienced divers.

Beginners have the chance to get their first certificate taking a Discover Scuba course, taking their first dive in the secure environment of Club La Santa's pool.

## Wellness and Massage

Take some time out and immerse yourself in the soothing, calm ambience of our Wellness Centre. Relax and rejuvenate in our spa, where the high power jets will massage away any aches from the day's activities, to revive both body and soul:

- Hydrotherapy Pool
- Jacuzzi
- Steam Room
- Sauna (separate for men and women)
- Cold Dip

We also offer a wide range of massages, sports therapy and physiotherapy with qualified specialists, which are perfect for recuperation, rehabilitation or simply soothing your sore muscles after a hard workout.

For those who want to look and feel their best, we offer a range of beauty treatments to give you that extra glow.
